

LEADERSHIP

is Everyone's Business

From the bestselling authors of *The Leadership Challenge (TLC)*, *Everyday People, Extraordinary Leadership* is a TLC for individual contributors. Leadership is not about position, power, or place – but about behavior. It's not about who you are – but about what you do. Ever since the first edition of *The Leadership Challenge* in 1987, Kouzes and Posner have said that “leadership is everyone's business” and this book draws from and builds upon material all new stories that is consistent with the TLC framework.

Everyday People, Extraordinary Leadership is specifically designed for those who are not in formal leadership roles to show how everyone can be leaders – regardless of their title, role, or authority.
